Keep your staff informed with news articles

Problem:

Supervisors need a way to communicate with their staff that replaces the old breakroom bulletin board

Solution:

honeybeeBase new articles provide a digital bulletin board for supervisors to post relevant information for their staff

OPEN ENROLLMENT – HEALTH, DENTAL AND VISION CARE INSURANCE

Published 08/27/2018 by Michael Scott

• File #1 

I am writing to inform you of the new health insurance rates that will take effect on January 1, 2018 and to announce the annual health-insurance open-enrollment period. The open enrollment period is your annual opportunity to confirm, change, enroll in or cancel your health, dental or vision-care insurance coverage. Except in the case of certain changes in family status or other qualifying events, you will not be permitted to change, cancel or enroll in health, dental or vision-care insurance plans again until the next open enrollment period, one year from now. Materials and instructions for renewing, enrolling in or canceling insurance coverage will be available in the file share by the end of the day
